

Flora Womens Mini Marathon

The Flora Womens Mini Marathon takes place on Bank Holiday Monday 7 June 2010.

Fundraising

Those participating in the Flora Womens Mini Marathon, who wish to fundraise, for the Neurofibromatosis Association should contact Paddy Griffin at nfaireland@eircom.net or call the help line: 01 872 6338 or mobile: 087 237 3269. You will be supplied with sponsorship cards, t-shirts etc.

MY Charity Web Page

Another novel way of fundraising is to set up your fundraising page in My Charity web site. To create a fundraising page click on <http://www.mycharity.ie> and follow the instructions: “create a fundraising page” you will be amazed how simple it is and how effectively it works. All donations are acknowledged and receipted by return. Of course you can target all your friends, business acquaintance etc on your email database. My charity helpline <http://www.mycharity.ie> will be happy to assist with any questions you have in relation to setting up a fundraising page alternatively contact our helpline

2010 Entries

All participants must enter either on the official Entry Form which will appear in the Evening Herald every Wednesday and Saturday from 3rd March 2010, or online from 3rd March 2010. (On-line entries will incur an extra 1euro Bank processing charge)

Neurofibromatosis

Neurofibromatosis is a little known complex genetic disorder affecting over 2000 children and adults throughout Ireland. Our aim is to eventually finance a Clinic where families affected by this rare disorder can obtain quality medical support and counselling. Additional funding will go towards research in the hope that a cure will eventually be found to alleviate the pain and suffering caused to sufferers living with this unpredictable incurable condition.

Therefore we are appealing to ladies countrywide to participate in the Womens Marathon and fundraise for this worthy cause.

2009 Participants
