

NF Fighter Awards

At the Neurofibromatosis Association of Ireland (NF Ireland) we appreciate all the hard work that is carried out by our fighters, associations, members, families, volunteers, supporters, fundraisers, teachers and medical professionals each day. We believe that all this hard work needs to be celebrated and to do this we are holding a national NF Fighters Campaign.

To help us celebrate and acknowledge the NF fighters of 2017, please fill in the following nomination form. Not all award sections need to be completed just those you wish to nominate someone for an award.
